Net Contents:

**DIRECTIONS FOR USE:**

For control of bacteria and fungal slime in industrial recirculating cooling water systems, add 50 to 150 mg/L once a week based on system's volume. If contamination is excessive, use 200-400 mg/L until the system cleans up. Feed directly into the cooling system's water where it will be uniformly mixed. For zebra mussel control feed at a dosage of 10 ppm maximum for ultra low continuous feed for at least 1 week. Do not apply to potable water supply. Use PVC, stainless steel or polyethylene feeding equipment. If the product is applied manually, a dust mist respirator must be worn during application.

**DISPOSAL:**

1. Triple- or pressure-rinse the container. Add the rinsings to the treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

**PRECAUTIONS:**

KEEP OUT OF REACH OF CHILDREN. Toxic gases will form upon combustion. Keep container closed when not in use. Provide general dilution ventilation using explosion-proof equipment. Wear goggles and face shield, chemically resistant gloves, long pants, a long-sleeved shirt and an impermeable apron and boots when handling this concentrate.

**IN CASE OF FIRE OR SPILL:**

**FIRE:** Use water spray to cool surfaces, protect personnel and disperse unignited vapours. Shut off fuel to fire. Let fire burn out under controlled conditions or extinguish with alcohol foam or dry chemical. Cover liquid spills with foam. Breathing and eye protection required for fire fighting. **SPILL:** Contain, recover and dispose of spilled material using appropriate techniques and according to regulations.

**TOXICOLOGICAL INFORMATION:**

**DANGER:** Corrosive to the eyes and skin. Avoid contact with skin, eyes or clothing. May be harmful if swallowed or absorbed through the skin. Do not take internally.

**FIRST AID:**

**Eye Contact:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **Skin or Clothing Contact:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **Inhalation:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **Ingestion:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label, or product name and Pest Control Product Registration Number with you when seeking medical attention.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish and other aquatic organisms. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans or other waters in contravention of federal or provincial regulatory requirements. DO NOT discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. The requirements of applicable laws should be determined before using the product.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
