[] Denotes alternate/optional verbiage; { } Denotes verbiage not printed on market labeling

Read and observe all label directions, including directions for use, precautions, restrictions, environmental precautions and spray buffer zones for each product used in the tank mix. In cases where these requirements differ between the tank mix partner labels, the most restrictive label must be followed.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN.

May irritate skin. Avoid contact with skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Avoid breathing spray mist. Do not contaminate water, food or feed. Store away from food or feed.

Protective Clothing and Equipment: Wear long-sleeved shirt, long pants and chemical resistant gloves during mixing, loading, application, clean-up and repair.

Restricted-entry interval(s): DO NOT enter or allow worker entry into treated areas during the restricted-entry interval(s) stated on the label of the pesticide applied in tank-mix with Hasten NT Ultra Spray Adjuvant

USE ONLY FOR RECOMMENDED PURPOSES AND AT RECOMMENDED RATES.

FIRST AID

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

TOXICOLOGICAL INFORMATION: Medical personnel should contact Norac Concepts Inc. at 613-787-5620. Treat symptomatically.

Medical personnel should contact Maxunitech North America, Inc. at 1-855-462-9621.

Treat symptomatically.

ENVIRONMENTAL PRECAUTIONS

DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

Read and observe all label directions, including rates, use directions, and restrictions, such as spray buffer zones, for each product used in the tank-mix. Follow the more stringent label precautionary measures for applying stated on both product labels.

STORAGE

Store this product away from food or feed. Keep in original container during storage. Store the tightly closed container away from feeds, seeds, fertilizers, plants and foodstuffs.

DISPOSAL

Recyclable Container Disposal: Do not reuse this container for any purpose. This is a recyclable container, and is to be disposed of at a container collection site. Contact your local distributor/dealer or municipality for the location of the nearest collection site.

Before taking the container to the collection site:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Make the empty, rinsed container unusable for further use.

If there is no container collection site in your area, dispose of the container in accordance with provincial/territorial requirements.

Returnable container disposal: Do not reuse this container for any purpose. For disposal, this empty container may be returned to the point of purchase (distributor/dealer).

Refillable container disposal: For disposal, this empty container may be returned to the point of purchase (distributor/dealer). It must be refilled by the distributor/dealer with the same product. DO NOT reuse this container for any other purpose.

Disposal of unused, unwanted product: For information on disposal of unused, unwanted product contact the manufacturer or the provincial/territorial regulatory agency. Contact the manufacturer and the provincial/territorial regulatory agency in case of a spill, and for clean-up of spills.

GENERAL INFORMATION

Hasten NT Ultra Spray Adjuvant is an esterified vegetable oil-based spray adjuvant.

DIRECTIONS FOR USE

Application instructions:

Control Product	Application Rate of Hasten NT Ultra Spray Adjuvant	Remarks
Overdrive Herbicide, Coragen Insecticide, Coragen MaX Insecticide, Truvist Herbicide, Acelepryn Insecticide, Benevia Insecticide, Exirel Insecticide.	0.25% v/v	Consult product label for use.
Navius Flex, Navius VM Herbicide, TruRange	0.25% to 1% v/v	Consult product label for use.
Impact Herbicide	0.25% to 0.5% v/v	Consult product label for use.
Escort Herbicide	0.2 to 0.5% v/v	Consult product label for use. Use

		the higher rate of Hasten NT Ultra Spray Adjuvant for higher weed pressures.
Telar Herbicide Toss-N-Go Bags, Telar XP Herbicide	0.1 to 0.2% v/v	Consult product label for use. Use the higher rate of Hasten NT Ultra Spray Adjuvant for higher weed pressures.
