## **DIRECTIONS FOR USE**

To be used only in the manufacture of a pesticide registered under the *Pest Control Products Act*.

## **PRECAUTIONS**

### **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**

### **DANGER - CORROSIVE TO EYES**

### **HARMFUL IF ABSORBED THROUGH SKIN OR INHALED**

DO NOT get in eyes, on skin or clothing. Wear goggles or face shield and rubber gloves when handling. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

## **FIRST AID**

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice.

Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **TOXICOLOGICAL INFORMATION**

No specific antidote. Supportive care. Treatment based on the judgment of the physician in response to reactions of the patient.

## **ENVIRONMENTAL HAZARDS**

Do not allow this material or waste water or solvent which contains it to discharge into lakes, streams, ponds, public waters or sewers.

## **STORAGE**

Keep in original container during storage. To prevent contamination, store this product in cool, dry, well ventilated place away from food and feed. Keep away from fire or open flame, or other source of heat.

**DISPOSAL**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

**CLEAN UP INSTRUCTIONS**

Cover spillage with an industrial absorbent or sawdust. Sweep up thoroughly and place in a labeled container for safe disposal. Avoid entry of the material into sewers or water courses.

**NOTICE TO USER**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
