**DIRECTIONS FOR USE:**

To be used only in the manufacture of a plant growth regulator which is registered under the PEST CONTROL PRODUCT ACT.

**FIRST AID:**

**In case of contact with eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**In case of contact with skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label, or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**PRECAUTIONS:**

Keep out of reach of children or unauthorized personnel. Avoid inhalation and contact with eyes, skin, or clothing. Harmful if swallowed. Wash contaminated clothing before reuse. Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.

**STORAGE:**

Avoid excessive storage temperatures and direct sunlight. Store in dry area, keep material dry and container tightly closed. Keep away from fire or open flame, or other source of heat.

**DISPOSAL:**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the

directions on the label.
