Manufactured for:
Elemental Enzymes Ag and Turf, LLC
1685 Galt Industrial Blvd. St. Louis, MO 63132
314-429-2885

Net Contents:
Formulated in the USA

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Harmful if inhaled. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

FIRST AID

If Swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If On Skin Or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If inhaled:

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DIRECTIONS FOR USE

DIRECTIONS FOR USE: To be used only in the manufacture of a pesticide which is registered under the *Pest Control Products Act*.

STORAGE:

Store this product away from food or feed. Store the product in the original container only. Keep the container tightly sealed and store away from sunlight, moisture, and extreme heat. Product may be temporarily stored (<1 week) under cool conditions between 5 to 45 °F (-15 to 7 °C). For long-term storage (>1 week), store between -13 to 5 °F (-25 to -15°C).

DISPOSAL:

Nonrefillable container. DO NOT reuse or refill this container. Clean container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial/territorial regulations. For additional details and cleanup of spills, contact the manufacturer and the provincial/territorial regulatory agency.

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence

under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
