**DIRECTIONS FOR USE:**

To be used only in the manufacture of a pesticide which is registered under the Pest Control Products Act.

The technical is a gas and must be formulated immediately into the end use product.

**PRECAUTIONS:**

**PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.** Avoid contact with eyes, skin, and clothing. May irritate eyes. May be harmful if inhaled. Avoid breathing vapours. Wear a mask or an approved pesticide respirator. Wash contaminated clothing separately before reuse. Wash thoroughly with soap and water after handling and before eating or smoking.

**STORAGE:**

The technical is a gas and cannot be stored, and must be immediately formulated into the end use product.

**DISPOSAL:**

Canadian manufacturer should dispose of unwanted active ingredients and containers in accordance with municipal and provincial or territorial regulations. For additional details and clean-up of spills, contact the manufacturer and the provincial or territorial regulatory agency.

**FIRST AID:**

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
